## RESOLUTION

New Delhi, the 1st August 1955

SUBJECT.—All India Council for Secondary Education.

No. F.18-2/55-D.1.—The improvement and reconstruction of secondary education is perhaps the biggest educational programme facing the country to-day. While addressing the Central Advisory Board of Education at its last (22nd meeting), the Chairman (Minister of Education) observed:

"I think you will all agree that this (Secondary education) has till now been the weakest link in the Indian educational chain. It is yet in a sense decisive in determining the quality of

education both at the elementary and the collegiate levels. Secondary schools supply teachers for elementary schools and students for colleges and other institutions of higher learning. An unsatisfactory system of Secondary education undermines the entire system of education in the country."

The Commission appointed by the Government in October, 1952 to enquire into and report on the present position of Secondary education in India in all its aspects and to suggest measures for its reorganisation and improvement has made a number of organisational and other recommendations on the basis of which a number of educational schemes directed towards the improvement of Secondary education have been drawn up and are now under implementation in collaboration with the State Governments. However, as the implementation of the Ministry's programme of reforming Secondary education has progressed, many organisational, educational and administrative problems have been identified and the need for setting up a small body of experts to tackle these problems and to review from time to time the progress made in this field has become increasingly urgent. The Government have therefore decided to set up immediately an All India Council for Secondary Education to discharge the functions specified below:—

2. **Functions.**—(a) The Council will review the progress of Secondary education throughout the country and serve as an expert body to advise the State and Central Governments about improvement and expansion of Secondary education in all its phases.

(b) It will examine and appraise proposals in this behalf referred to it by the Government of India and the State Governments and assist in the implementation of approved programme.

(c) It will initiate proposals for the improvement of Secondary education in the light of the experience gained and within the ambit of the decisions taken by the Government of India from time to time.

(d) The Council may encourage research in problems relating to Secondary Education in all its aspects.

(e) It may appoint *ad hoc* committees to assist it in the attainment of any of its objectives.

(f) The Council will take all necessary executive action in the matter of deciding on the grants to be made to institutions participating in its projects and making funds available for the purpose.

3. (a) Government of India may from time to time make grants to the All India Council for Secondary Education on requests made by the Council for carrying out its functions and activities as aforesaid.

(b) The Council may, for the purpose of enabling it to discharge its functions efficiently or exercise its powers, appoint such number of officers and other employees on such terms and conditions of service as may be determined by it but not more liberal than those obtaining in the Government of India for similar officers subject to the general financial limits in the budget imposed by the Central Government.

(c) It will also maintain a nucleus of specialists in various fields of Secondary Education and thus increase through membership of its staff the number of Indian educationists who have had experience in the analysis and solution of problems of Secondary education on an all-India basis.

4. **Constitution.**—The Council shall consist of:—

(a) Chairman—Education Adviser to the Government of India.

(b) Additional Secretary, Ministry of Education.

(c) Three members of the Central Advisory Board of Education.

(d) Six members of the State Education Departments.

(e) Six educationists to be nominated by the Chairman.

(f) One representative of the Principals of Training Colleges.

(g) One member of the All India Council of Technical Education to be nominated by the Council.

(h) One member of the Inter-University Board (India) to be nominated by the Board from amongst the representatives of Universities in India.

(i) One representative of the Community Projects Administration.

The Head of the Secondary Education Division will act as Secretary to the Council.

5. **Tenure of Office.**—The tenure of office of all non-official members nominated to the Council for the first time shall be 3 years reckoned from the first day of the first meeting of the Council and the term of office of all non-official members subsequently nominated shall be three years reckoned from appropriate anniversary of the day; provided that a member nominated under sub-clause (c), (g) and (h) above shall cease to be a member of the Council if he ceases to be member of the Central Advisory Board of Education, All India Council for Technical Education and Indian University Board as the case may be. The official members of the Council will continue until they are replaced by others. All casual vacancies among the members (other than *ex-officio* members) shall be filled by the authority or body who nominated the member whose place falls vacant and the person appointed to a casual vacancy shall be a member of the Council for the residue of the term for which the person whose place he fills would have seen a member.

6. No proceedings of the Council shall be invalidated merely by reason of the existence of a vacancy or vacancies among the members.

7. It will submit annually a report of its work to the Central Advisory Board of Education through the Ministry of Education.

8. This supersedes Ministry of Education Resolutions Nos. F.18-2/55-D.1 dated 2nd March, 1955 and 31st May, 1955.

K. G. SAIYIDAIN, Addl. Secy.

## MINISTRY OF NATURAL RESOURCES AND SCIENTIFIC RESEARCH

### RESOLUTION

New Delhi, the 26th July 1955
